EC-Type Test Certificate

Name and address of the holder of the certificate: (customer) **Yoke Industrial Corp.**
#39, 33rd Road, Taichung Industrial Park
ROC-407 Taiwan

Name and address of the manufacturer: see certificate holder

Product designation: **connector class T**

Type: N-261 G ; NO132

Intended purpose: linking component of a system of personal protective equipment against falls from a height/for work positioning

Testing based on: EN 362:2004-09

Related report: 09 1 0314

Remarks: Prod.-Id. 09 1 0314/yoke/n261gno132 Prod.-Gr.: 008.0116
This product is a personal protective equipment of category III in accordance with the directive 89/686/EEC: control measures to article 11 are required.
The connector is a karabiner with a twistlock gate.
The mentioned variants are identical in design and, according to the manufacturer's indications, the only difference between them lies in the art of the marking.

The type tested complies with the provisions laid down in the directive 89/686/EEC (Personal Protective Equipment), amended by the directives 93/68/EEC, 93/95/EEC and 96/58/EC.

Further conditions concerning the validity the extension of validity and other requirements are laid down in the Rules of Procedure for Testing and Certification of September 2008.
